

WSBA MEMBER

Benefits include

- At least 4 highly informative Newsletters (usually more) each year in your email inbox.
- Your farm and contact details on the wsba website for prospective customers to find you
- Access to the contact details of Breeder members of WSBA to help you select a breeder near you when wanting to purchase sheep.
- Advice about caring for your sheep can be obtained by contacting the WSBA Secretary who will place your query with member(s) close to you who can respond and assist
- Email notice concerning education sessions and sales that are either organised by WSBA or in conjunction with WSBA.
- Ongoing connection with a group of passionate Wiltipoll Breeders who want to see you succeed with your Wiltipoll venture whether it is small or large.
- You have full voting rights that allow you to vote for committee members of your choice at the AGM or to nominate for Committee position if you wish.
- At the proposed general meetings that are proposed to be held a short time before some of the Committee meetings you will have the opportunity to put forward your views and hear what other members have to say about a broad range of exciting new developments. The Zoom platform ensures all States will be able to access these meetings with easy to use technology.
- You will have the opportunity to participate in future plans to hold Field Days and Sales. You will also be advised contact details for persons seeking to purchase Wiltipolls with emails to members circulated by our Secretary.
- Supporting banners and hand-outs for those members who attend shows have been available for some time and these are continuing to be improved. Be proud to actively promote WSBA and the Wiltipoll breed at shows and the Committee will ensure that you get good publicity on our web-site, newsletter and where possible in the ASSBA Muster magazine.
- Promotional ideas such as bumper stickers and logo redesign will continue to be made available at the lowest possible cost.
- WSBA will also continue to be the only representative of a Wiltipoll Breed Society in the Australian Stud Sheep Breeders Association Annual Flock Book. The Wiltipoll Breed Standard is contained in the ASSBA annual Flock Book and is the one prepared and documented by WSBA. Many WSBA members are also members of ASSBA which is the oldest continuing Stud Sheep Breeders Association in Australia and represents such significant breeds as the Border Leicester, Southdown, Suffolk and Wiltshire Horn. WSBA provides you with the necessary stepping stone to membership of ASSBA if you aspire to serious stud breeding.
